2024 OPERATING & CAPITAL IMPROVEMENT BUDGET

**AS PRESENTED BY
ROBBY MILLER,
TANGIPAHOA PARISH PRESIDENT
OCTOBER 10, 2023**

Move here.

October 10, 2023

Tangipahoa Parish Council & Citizens of Tangipahoa Parish

In accordance with the Tangipahoa Parish Home Rule Charter, I am submitting to you the "Operating Budget for 2024." Also, the "Five Year Capital Outlay Program" for 2024 is provided for your information.

I am committed to continuing the "pay as you go" road program that has been so successful. Consequently, we will continue the fundamentally sound budget for all departments of Parish Government. We have seen an average long-term economic growth in our local economy. Our latest independent **clean audit** shows that the parish remains on **solid financial ground**. Limited debt, better roadways, and good government have opened the door to families and quality businesses locating in **the best parish in the state**.

The purpose of Parish Government is to provide much needed services to its public as efficiently as possible. Consequently, I am proud to report that we continue to reduce cost while expanding services. I have once again provided a chart showing the agencies funded by the Parish Government general fund and a chart showing the breakdown of expenditures for all funds administered by Parish Government. They are included in the budget to better inform you, the public, how the monies of this parish are spent.

We will continue to work hard every day to efficiently provide public services and expand our economy with more and better jobs for our citizens.

Sincerely,

Robby Miller,
Tangipahoa Parish President

Tangipahoa Parish Council Chairman and Members

Due to the excessive number of roadways throughout the parish that need repair, such as overlay, etc., we did not give a dollar amount for each road. The average cost of soil cement and a two-inch overlay is about \$250-300 thousand dollars per mile. As you can see, this could be well in excess of 75 million dollars if all roads were completely overlaid. Therefore, we anticipate a Capital Outlay Budget for the next five years to be approximately \$21,500,000 million. This estimate also includes the cost for preservation of roadways which is approximately \$16-34 thousand per mile. Additionally, in order to comply with the Parish Transportation Act, I have included an approximate listing of the roads listed on the 5 Year Road Rehab Program. This listing is for information purposes with the final determination for roads to be overlaid being made by the council, in conjunction with a final review by the Public Works Department.

Sincerely,

Robby Miller
Tangipahoa Parish President
